Mrs. Fowler:  
 This has truly been  
 my most enjoyable year.  
 You have helped to make this  
 year a most enjoyable one.  
 I shall never forget you through-  
 out my life. We have had some  
 trying times in Dramatics and  
 English II. But the good times  
 make up for the unbearable ones.  
 A student who will never  
 forget you ever.

## In Memoriam

DICKIE SHULER

Born October 1, 1945

Died May 20, 1962

It is not growing like a tree  
In bulk, doth make Man better be;  
Or standing long an oak, three hundred year,  
To fall a log at last, dry, bald, and sere;

A lily of a day

Is fairer far in May,

Although it fall and die that night—

It was the plant and flower of Light.

In small proportions we just beauties see;  
And in short measures life may perfect be.

Ben Jonson

On the first play sophomore  
ace Donnie Beusse raced 35  
yards to paydirt, but the play  
was called back because of a  
backfield in motion penalty. The  
next play Norris Rife broke  
loose for 23 yards to the Den-

of bounds. The following play  
Dobby Fabbre crashed pit-tack-  
le and into the end zone.

IN THE SECOND half East  
moved the ball like they owned  
it, but refused every scoring  
chance they had.  
Denton failed to put up much  
of a threat at anytime during  
the game, only crossing the 30  
yard marker three times.

# Class History

Two years ago (only yesterday, it seems), one of the greatest rivalries in the history of the county came to a close with many misgivings and doubts; for then, Fair Grove and Pilot were consolidated. This consolidation, in order that no partiality be shown, was given the name of East Davidson High School. Also, the colors, gold and white, were taken from both schools; the gold from Fair Grove, the white from Pilot.

The new school actually began on August 15, 1961, when the players from both teams joined forces to form the East Davidson "Golden Eagles." It was on the football field that the ice was broken between the students from each school. For it was on that same field that the boys had to be friends and work together towards a common goal—V I C T O R Y!

On September 1, the doors at the former Pilot High School building swung wide to admit the pupils from both schools, now as students of East Davidson. The students somewhat reluctantly began classes together, but soon struck up many new acquaintances and friendships. A few weeks later, we all met in the auditorium to elect our class officers. We chose Raymond Nicholson to assume most of our responsibilities as President; Barbara Sizemore was elected Vice-President; Aurelia Taylor was named Secretary; and Darrell Myers was given the honor of controlling our purse strings as Treasurer.

We found that there were many more things to be discussed and done during our Junior year. One of the more important things to be agreed upon was the selection of a school seal. Sonnie Ragan played a major role in the final selection of the new seal. Along with the seal, came the responsibility of choosing a standard school class ring. This ring has provided the basic design for all East Davidson rings since.

Soon after these problems were overcome, many more were to take their places. The many committees required to bring about a successful Junior-Senior Banquet had to be organized. After much preparation and many fund-raising drives, we finally finished our banquet plans by the end of December, and had only to wait until the big day, May 4.

After Christmas vacation, we returned to be greeted by mid-term exams and a new year. Though we lost some of our classmates in the struggle with the books, almost all of us survived.

On May 4, the greatest event in our lives (to us) came about. The Banquet! At Last! The banquet, held at the Plantation Supper Club, was a large success. As midnight approached, a few of us were getting a little drowsy, but we were snapped out of our spell when the long-remembered floor show began. Yes, the girls swooned over the ever-popular "Crash" Craddock and the boys thrilled to the astonishing display of Turkish dancing.

Finally, our first year at East Davidson came to a close.

On August 28, however, school resumed once more to find everyone happy and hale. This same year will end with three married girls on our roll.

The vacation had not dampened anyone's spirit, for each one of us knew this year was our last, and that we would have to really work, so we all pitched in and gave it everything we had.

Everyone began searching for their home room. Among the senior homeroom teachers were the following: Mrs. Andrews, Mrs. Fowler, and Mrs. Smith.

We had all hoped to be in the new school at least by the end of our senior year. Things just didn't work out for us, however, and we anxiously await the completion of the new school, even now.

On December 1, those of us who plan for a further education in college took the Scholastic Aptitude Test. The scores were returned to us a few months later and most of them were satisfactory. We then began to apply for entrance to various colleges. We soon received replies, and most of them were acceptances.

The year wore on; then came our hopes for a good Junior-Senior Banquet and our trip to Washington and New York. Plans for graduation were also prominent in our minds.

Time sped on, with many trials, errors, and mistakes, but we all managed somehow to make it. Now, as we have been graduated, our number, which started out as 90+, is down to seventy-odd, and we are looking to the future...

Mrs. Fowler,  
I can truthfully say, that  
you have meant more to me as  
a teacher and a friend than anybody  
in my high school years. Have I been  
a brain? No, not at all, but, I feel I  
have acquired as much this year or more  
than ever before. I think you have done  
a great deal for me in Dramatics & English.  
As a friend, one you can talk to, you have meant  
more than I can say.

Thanks for everything  
Love,  
Joe Linard Jr

Mrs. Fowler,  
You are truly a  
teacher to be admired

all the things you have  
done for us and the  
way you have worked  
with the students in the  
twelfth grade. We do  
appreciate you.
